## JOCKEY HOLMES IS AGAIN IN SADDLE

Celebrates Return by Riding Home a Winner.

### LARGE THROG AT MARLBORO

Horse Show, an Added Attraction, Leads Interest and Draws Crowd. Gold Check Captures Second Race by Four Lengths—Profile Has It Easy in Final Event.

By GEORGE B. MORRIS.

Marlboro, Md., Nov. 13.—Notwithstanding the freezing weather, a large crowd turned out today to witness the running of seven races at the Marlboro Fair Association's track. The large crowd was responsible on account of the horse show, which is being held this week. Many prominent exhibitors were present from Philadelphia, Baltimore, and other contiguous territory.

The track was heavy on account of the frost of last night, but it soon started to dry out, and was in much better condition at the close of the day.

Jockey Holmes celebrated his return to the saddle by riding home Deduction in the first race by eight lengths. He was quoted at 5 to 1, and never let a doubt in the mind of his backers as to the result. Cashin rode favorite, but he did not take kindly to the track and finished out of the money.

Gold Check in the second contest managed to get home by four lengths in front of Deduction, while Elizabeth O. was the favorite, was badly interfered with and had to be pulled up.

In the fourth race Yucca came to life and beat Smith out a length. The track seemed to be made to order for the winner.

Flamery, at 6 to 1, with Hopkins up, just managed to beat the favorite a nose at the post.

The sixth event on the programme brought Tola home by a good margin. Dr. Barkley, backed from 7 to 2 to 7 to 3, was second.

The final race of the day, a four-horse contest, brought Profile home an easy winner. Granla, the odds-on favorite, never had a look-in. Moody, who rode the winner, is a promising lad, and rode a grand race on the winner.

The horse show will continue throughout the week. Following are the results:

**FIRST RACE**—About five furlongs; maiden two-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

**SECOND RACE**—Four and a half furlongs; for three-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

**THIRD RACE**—Four and a half furlongs; for three-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

**FOURTH RACE**—Four and a half furlongs; for three-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

**FIFTH RACE**—About seven furlongs; for three-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

**SIXTH RACE**—About seven furlongs; for three-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

**SEVENTH RACE**—One mile and a sixteenth; for two-year-olds and upward; selling. Gold Check, 11 to 5, won; Deduction, 10 to 1, second; Yucca, 10 to 1, third; Time, 1:10.1.

The first day of the horse show the following eight events were shown:

(Judges John O. Green, of Washington, and Frank Hill of Prince George County.)

Saddle horses under fifteen and one-half hands, mare or gelding, three years old and over, to be shown at walk, fox trot, rack, and canter. F. W. Hill, first; Miss Grace Morton, second; Prince George County.

Gaited saddle horses, mares, or geldings, three years old and over, to be shown at walk, fox trot, rack, and canter. F. W. Hill, first; Miss Grace Morton, second; Prince George County.

On account of the lateness only two classes were shown.

Five horses from the Washington Riding Club will be shown in harness classes and four in-hand to-day.

**MORRISON DEFEATS HERMAN.**

Wins Special Pool Match at the Lamb's Club.

In the special pool tournament that is being held at the Lamb's Club, 307 Ninth street northwest, Morrison defeated Herman, 10 to 8, in one of the fastest games ever witnessed in the club.

To-night's meeting, Morrison and Herman, is a very interesting game. Morrison is a very strong player, and Herman is a very strong player.

To-morrow night Class A series starts, in which some of the best cue players in the District will take part.

**Joker Fears Cuba's Owners.**

Joe Tinker, the Cub shortstop, who is now playing on the Coast, aspires to be a manager and would not be averse to succeeding Clark Griffith at Cincinnati.

But Tinker fears that his hopes will not be realized, as he is confident that President Murphy will effectively block any trade that might lead to his becoming manager of the Reds.

**First Game in 17 Years.**

The football game between Cornell and Michigan on Saturday marked the first engagement of its kind between these two teams for seventeen years.

**Back Where He Started.**

Hughie Duffy is only going back home when he returns to Milwaukee as head of the Brewers next season. It was in Milwaukee the former Sox leader started his managerial career in the early days of the American Association.

## AMATEUR LEAGUE PLANS BIG SEASON

Independence Circuit Will Be Strong.

### FOUR PENNANT-WINNING TEAMS

Championship Aggregations of Last Year Apply for Franchises—Petworth and Silver Spring After Berths—New Park May Be Built in the Near Future.

That the Independence League will be the best amateur baseball circuit in the District next season seems an assured fact, for with two or maybe three of the teams that fought for the pennant last year and at least three championship sides of other leagues fighting for the bunting, a red-hot race is sure to result.

Petworth, the pennant-winning team of the Suburban League, will be a member of the organization next season, with a team from the Keyhole Club as a running mate. Petworth will pull one of the strongest teams in its history on the field. If the players already pledged to play report for practice next spring.

Another ball team that has applied for a franchise in the Independence League is the Silver Spring club, the team that made a game fight for the pennant in the Suburban League last season. Silver Spring commands about the cream of the local amateurs, and a fast aggregation can be formed from them.

There is a possibility of the American Security and Trust Company, amateur champions of the District, taking a franchise in the organization, and with the Bankers fighting the Manhattan, the team that won the bunting last season, and the other teams, which will be evenly matched, one of the greatest races ever witnessed in an amateur league can be expected.

**President Roakes Pleased.**

President Roakes, of the Independence League, is very well pleased with the outlook, and as the league was the best money maker last year another good season on the diamond is anticipated.

The past season saw one of the best races ever witnessed in an amateur league in Washington in the Independence League," said President Roakes, "and with the applications that I have for franchises there is every likelihood of a next season's race being even more close and exciting. There are eight teams that have applied to me for franchises, and while nothing will be done in the matter until early in December, it is not too early to say that the Independence League will have six of the fastest teams playing amateur ball in the District next year.

Should McDewitt's Field, the home of the Independence League, be cut up, there is every likelihood of the plot of ground at Second street and Florida avenue being made into a first-class baseball park, enclosed and with seating accommodations for at least 2,000 spectators. This field will be the scene of the battles for the Independence League bunting, and will also be used
